Sir:

The undersigned attorney engaged in a telephone conference with the Examiner in the above-identified application on April 20, 2006. During the course of the telephone conference, the parties discussed the Burns and Korman references in view of the pending claims. In addition, the parties discussed possible amendments to the claims to clarify certain aspects of the claims relating to, for example, aspects of the communication links. While not conceding the merits of the claim rejections, the applicants agreed to claim amendments as reflected by the present Examiner's Amendment.

If the Examiner has any questions, the Examiner is encouraged to call the undersigned at (206) 359-6351.

Respectfully submitted,

Perkins Coie LLP
